### **About Treeline Urban Resort**

Treeline Urban Resort, the gateway to new travel experiences in Cambodia

Treeline Urban Resort is a privately-owned, 48-room luxury Art & Design hotel on Siem Reap's Riverside in Cambodia. Founded, designed and built by local architect Hok Kang, the Resort offers a one-of-a-kind home for guests travelling to Angkor Wat, UNESCO World Heritage site and one of the oldest expressions of Cambodian creativity.

Masterfully crafted with leading Cambodian artists, Treeline's curated experience includes dedicated spaces for a growing private collection of contemporary art. We

have over fifty pieces of original Cambodian artwork from acclaimed artists such as Sopheap Pich and emerging artists like Sothea Thang and Nov Cheanick.

Treeline's clean, functional style is combined with living artworks to reflect our deep-rooted veneration of nature, mindful attention to the smallest detail.
